A luxury brand of 100% Made in Italy tablecloth and tableware rental.

Tablecloth Rental caters to caterers, event designers and wedding planners looking for new and exclusive products to elevate the style of their events.

After a careful evaluation of the wedding industry, it was brought to light the need for a range of quality textiles and accessories, with a non-obvious design, capable of adapting to the most different projects.

Tablecloth Rental was born for this reason, from the need to return value to the tablecloth and the table, an element that since ancient times was used to give prestige to the banquets, important moments of conviviality and celebration.

The tablecloth patterns are conceived by the creative team and made by textile designers; production is entrusted to leading companies in the industry, which guarantee a quality result of excellence, on Italian-certified fabrics with zero impact on the environment, and the packaging is skillfully crafted by experienced hands.

We like to define our tablecloths “polite”; they do not steal the show, but support and reinforce the aesthetics of the setting with delicacy.

Continuous research in terms of design then led us to create a line of plates and table accessories with an appealing appeal that can leave freedom interpretative freedom to those who design the event.

HOW IT WORKS:

1. Choose the product and model most in line with your project.
2. Email rentaltablecloth@gmail.com to request availability, quantity and quote.
3. Receive the cleaned goods on the scheduled date in the appropriate sterilized and sanitized.
4. Place the soiled goods back in the appropriate packages and wait for pickup by our courier.
5. Good luck with your event!
